

Battleship Iowa Amateur Radio Association ASSOCIATE MEMBERSHIP APPLICATION Membership Year 2020

The Battleship Iowa Amateur Radio Association (BIARA) is an association of radio amateurs whose purpose is the support of radio activities on, or associated with, the Battleship Iowa. The operation of the Battleship Iowa and the National Museum of the Surface Navy are under the control of the Pacific Battleship Center (PBC). While BIARA is and will continue to be an organization separate from PBC, members of BIARA shall be required to become volunteers of PBC and to abide by all volunteer guidelines and directives as may be established by PBC; including, but not limited to, the completion of a volunteer application, having a PBC ID Card issued, and attending volunteer sponsoring and orientation.

Information on becoming a USS Iowa volunteer can be obtained at:

<https://www.pacificbattleship.com/get-involved/volunteer/> (select **Sign Up Today!**)

Due to the necessity of a tight control of activities and in cooperation with PBC, BIARA is not an open organization. Technical, professional, personal and team skill assets weigh heavily in the association's recruiting and assessment process. Application does not guarantee acceptance into the association. Once accepted, applications remain "active" by maintaining dues currency. Yearly renewal is through payment of dues. It is the member's responsibility to advise the Treasurer of any changes to application data on file.

Please fill out this form on the computer, then print the completed application for signature and mailing. Electronic signature and e-mailed pdf file is acceptable. If unable to complete this form prior to printing, use blue or black ink. Pencil will not be accepted.

Membership dues for year 2020 are \$25 (individual) and \$30 (family), and may be adjusted annually by the board as required to fulfill the mission of the organization. No dues will be accepted or collected until an applicant is accepted into the Association. Associate memberships run from January 1st through December 31st. After July 1st, dues are 50%.

All members of BIARA who engage in amateur radio communications aboard the Battleship Iowa shall possess a valid Amateur Radio Operator License issued by the FCC and shall operate within the rules of the FCC.
