

The McBride High School Radio Club, toured the USS Iowa on December 11th. Not only did the amateur radio operators get a wonderful, private, two hour tour of the ship by a Navy veteran, Jim Gaulderman, all of the licensed ham radio operators got a chance to talk on HF radio in the NI6BB amateur radio station.

Celebrating 73 years of the
BATTLESHIP IOWA

Sunday, December 11, 2016

Having fun working radio in the NI6BB station on the USS Iowa.
